***Endorsed Insurance Broker of the Painting & Decorating Contractors of California (PDCC)***

## About Us

Leavitt Pacific Insurance Brokers offers access to all leading and competitive contractor insurance and bond companies with a comprehensive range of products and services. As independent insurance agents, we access a variety of solutions through the top insurance carriers, ensuring you have the right coverage at a competitive price.

Nick Weintraub is the director of construction programs for Leavitt Pacific Insurance Brokers and works directly with the PDCC. He has over 20 years of experience writing contractors insurance. He regularly reviews contracts for his clients to confirm the insurance policies in place are in line with contract requirements. Nick also consults regularly on additional insured endorsements as well as various aspects of risk management, OSHA requirements, and the constantly-evolving contractors insurance marketplace.
