AMAZING NEWS

We are very happy to announce that **Steve Fagrey will be serving as the new Administrator of the PDCC East Bay Chapter!**

Steve is a long-time member of PDCC and the East Bay Chapter. He served on the East Bay Chapter Board for many years and served on the PDCC Board of Directors 2012 – 2015.

Steve brings a lot of talent and enthusiasm to the job. He loves the East Bay Chapter and believes we can do better at communicating with our members – like this Bulletin – and by holding regular member meetings!

We know that work and family keeps us all busy, so we're going to keep the meetings short and simple. **The Meetups are a friendly, no-pressure way to socialize with other painting contractors.** You're sure to pick up – or share – some useful tips along the way.

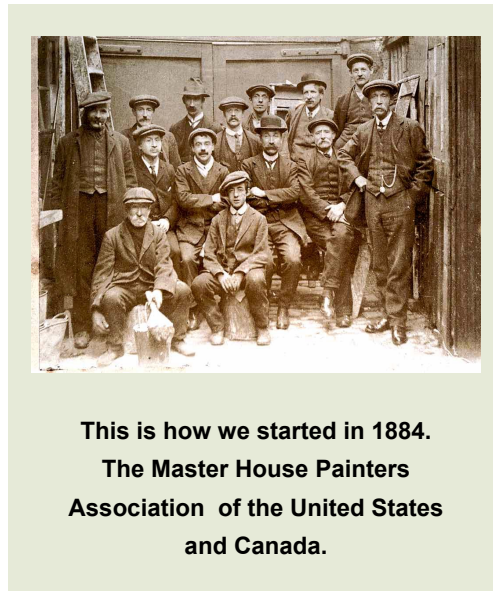

PDCC and the East Bay Chapter will be hosting our next **Meetup, on January 16, 2019** at the Firehouse 57 in San Ramon, 4pm – 6pm. Join us for some good conversation over complimentary drinks and appetizers.
