

# Spirit Award

The **Spirit Award** celebrates extraordinary individuals who bring their spirit, enthusiasm and energy to our organization. In deeds both great and small, they champion our members every day. The Spirit Award represents a commitment to the purposes of our association – which is to support the individual member and the larger community of our peers and colleagues. In so many ways, the recipients of the Spirit Award demonstrate their support of our core belief that Associations Move Us Forward.

The Spirit Award recognizes the outstanding contributions of these Volunteers who move PDCC forward.
